

Remarks

The amendments submitted herein are fully supported by the specification and drawings, and do not introduce new matter. Applicant notes that the amendment to the paragraph on page 1, lines 8 – 10 clarifies that the terms “pond” and “tank” are interchangeable in the claims and specification. Both terms represent an accurate translation of the word “bassin” used in the priority French application.

Respectfully submitted,

COATS & BENNETT P.L.L.C.
